I DISTILLATI Sono prodotti attraverso un processo di distillazione e sono consentiti se il prodotto è consumato puro, senza aggiunta di additivi, aromi e coloranti. Sono distillati da materie prime non contenenti glutine: brandy, cachaça, cognac, rum, tequila. Pur essendo distillate da materie prime contenenti glutine sono considerati idonei anche whisky (distillato di malto d'orzo, di mais o di segale), vodka (distillato da mosti di grano, orzo, segale o fecola di patate), gin (distillato da alcol etilico aromatizzato con bacche di ginepro).
