## IRISH WHISKEY

All Irish Whiskey are Triple Pot Still Distilled giving these products smoothness, richness & intensity from the late 18th Century.

### Hyde Distillery

*Hyde family has been in the Irish drink business since 1640s, all Whiskeys are made to honour Douglas Hyde, the First President of the Republic of Ireland. The constant research for the best ageing barrels creates a lavish complexity to these Whiskeys.*

|                                      |      |
